Insurance Benefits

If you have dental insurance we are happy to work with your carrier to maximize your benefit and directly bill them for reimbursement for your treatment.³

We accept many different insurance companies; however, we may or may not be contracted with them. It is your responsibility to know beforehand if we are a contracted provider with your insurance carrier.

We estimate your co-pay and co-insurance to the best of our ability but your portion can change depending on insurance payment and any other unknown circumstances. You are still responsible for any charges not covered by your insurance regardless of our estimated amount quoted to you at the time of treatment.

Miscellaneous Fees

A fee of \$35.00 is charged for patients who miss or cancel more than 2 times in a calendar year without 24-hour notice.

River Valley Dental Care charges \$25 for returned checks.

If you have any questions, please do not hesitate to ask. We are here to help you get the dentistry you want or need.
